Community Housing  
Management Network

ballot

**T**he Network has been providing day-to-day management services to communities in Ontario and Nova Scotia since 2009.

We pride ourselves on being dedicated and honest with a focus on your community. The Network will adapt our service model to accommodate the needs of your individual housing community. We want to focus on what is important to you.

Network services include dedicated on-site staff to ensure that members, visitors and trades receive the personal service they deserve.

Please contact the Network, or visit our website at [thenetwork.coop](http://thenetwork.coop), if you are interested in obtaining information about our services.
